Mario delivery

We will feed you in our restaurants, at home, in your office and even in the office of your partners. Getting authentic Italian pizza is easier than it seems.

Call for delivery 0000

Our mission is to preserve natural ecosystems of Tajikistan. The snow leopard (irbis) is a beautiful and unique animal and it lives in Central Asia. It is one of the rarest animals in the world. There are only 3-5 thousand snow leopards left on Earth. Approximately 300 snow leopards live on the territory of Tajikistan.

You can donate any amount of money with the help of the waiter.

Instagram

You can open a franchise restaurant Osteria Mario in any Russian region.
